

What's New!

Racing With the Moon 10-Week Racing Series

Ages 21 and over

1. ***NASTAR is Back!*** All Racing With the Moon participants will be automatically entered in the national Nature Valley NASTAR Program. You will have all of your times registered and scored against racers from around the country! Race for your shot at the National Championships – in Steamboat, Colorado!

2. ***Pre-Register your team and Save!***

This season we want to reward you for signing up early. When you register your team(s) by December 19, 2008 you will receive 50% off your team fee. This drops the individual team fee from \$200 to just \$100 and a multi team fee from \$150 to only \$75! For new teams thinking about signing up we haven't forgotten you. Any new RWTM teams will receive the special introductory rate of only \$50!

3. ***Mountain Improvements!***

Shawnee Peak will introduce the new Great Room, located slopeside, adjacent to the Base Lodge Cafeteria. This 40' x 40' addition will feature all-glass walls, atrium ceilings, post and beam styling and solar heat. The new building will give the lodge up to 25% more seating! We have also improved our snow making system by adding 60, energy efficient snow guns and over 1,000' of new snow making pipe. The new guns will use 50% less energy than existing equipment and will make more and better snow in all conditions.
